Staffing Etc.'s practice is anchored in our expertise in human talent acquisition and permanent placement. We provide healthcare personnel to clients to augment their internal resources on projects and initiatives. From physicians to nurse specialists, our professionals have the skills and the experience to make a significant difference. We are excellent at identifying highly qualified resources from our network of accomplished professionals, and delivering the individual or team most uniquely qualified to effectively answer our client's challenge. Providing experienced, cost-effective professionals on a timely basis is the Staffing Etc. hallmark and the cornerstone of our success.

### RECENT AWARDS

AWARD	CONTRACT HIGHLIGHTS
<b>Centers for Disease Control - Airport Screeners Contract</b> #2015-N-16824	From November to January 2015, our physicians and support staff started to screen and assess the potential Ebola exposure of individuals traveling from the West African nations affected by the Ebola outbreak. This service was provided at the five national entry points of travelers from West Africa. The assigned airports included Atlanta, New York, Newark, Washington, DC and Chicago under the direct guidance of the CDC.
<b>USPFO For Maryland - Contract</b> # W912K6-14-P-0165	In September 2014 we were honored to begin providing psychological and support services to the heroes of the Maryland National Guard.
